Lakeside Trail Phase VII Begins Construction

Tahoe City Public Utility District is pleased to announce that on Tuesday, September 7, construction of the remaining phases of Lakeside Trail will begin. This phase is shown in the adjacent exhibit. Construction will extend from September to approximately October 15th, and resume again next spring on May 1 – July 1, 2011. While under construction, the project will have some level of impact in the area with both construction vehicles on-site and temporary parking changes. TCPUD tries to anticipate and plan and minimize impacts to neighboring businesses but if you have issues or concerns, please do not hesitate to contact one of the following:
